Letter on Whole Circuit Boards***

To Whom it May Concern:

This is a request under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and Environmental Protection Agency ("EPA") FOIA Regulations, 40 C.F.R. § 2.100 *et. seq.* I respectfully request that a copy of the following documents (or documents concerning the following subject matter) be provided to me:

All documents considered by EPA before issuing EPA Guidance Letter #9441.1992(27) from Sylvia K. Lowrance, Director, Office of Solid Waste, to Waste Management Division Directors, Regions I-X, regarding *Regulatory Status of Printed Circuit Boards*, dated August 26, 1992, available at <https://yosemite.epa.gov/osw/rcra.nsf/ea6e50dc6214725285256bf00063269d/4404264b882b7b468525670f006be922!OpenDocument>.

The documents requested include, but are not limited to, any documents reflecting an evaluation of the ability of whole circuit boards to release hazardous constituents into the environment or that otherwise provide data or other technical support for EPA's decision to issue EPA Guidance Letter #9441.1992(27).

To help determine my status for purposes of determining the applicability of any fees, I am legal counsel to a private corporation and am seeking information for use in the company's business. I am willing to pay fees for this request up to a maximum of \$500. If you estimate that the fees will exceed this limit, please inform me first.
